NETC Advanced Manufacturing Technology Training Center – Dillon Campus

- This campus expansion will feature a new high-bay open warehouse area to consist of approximately 60,000 square feet.
- The purpose of campus expansion will be to provide industries, the community, and Northeastern Technical College with flexible open warehousing space to install manufacturing equipment and transportation/logistics equipment for industry training and educational support.

What are **students**
saying about us on
social media?

“NETC is an awesome, learning environment & even better staff members that genuinely care about students success.”

~ Allen Williams Jr.

“An incredible start to my rewarding career. Wouldn’t be where I am today without making the decision to first start at NETC.”

~ Dustin Welch

*“Northeastern
Technical College
treats you like the
employees do at
Chick-Fil-A. Highly
recommended. 10/10
Don’t go for those
other colleges who
treat you like bottle
water... You are Fiji
water!”*

~ Jessica Gruelle.

“NETC got me into CTU, Where I'm now pursuing my bachelors in business! I had a great experience there and I really appreciate the leg up towards higher education.”

~ Kameron Simmons

“Northeastern is a great opportunity for those who are not ready for a 4 year university to get acclimated to college life and receive a great education while being in a smaller classroom setting. It provided me a chance to earn a degree while also helping my fellow classmates while working as a Student Support Services Tutor!”

~ Ja'Don Ellis.
